Notice of Completion of Absorption-Type Company Split of the Company and UniCarriers
Corporation and Change of Trade Name

As stated in “Announcement about Conclusion of an Absorption-type Company Split Agreement for a Company Split (Simplified/Short-form Absorption-Type Company Split) between Mitsubishi Nichiyu Forklift Co., Ltd. (the Company) and UniCarriers Corporation, as well as about Change of the Trade Names of Both Companies and Amendment of Part of the Articles of Incorporation of the Company” as of July 13, 2017, the Company (former trade name : Mitsubishi Nichiyu Forklift Co., Ltd.) would like to inform you of succeeding the businesses of UniCarriers Corporation except for its domestic sales and distribution business by means of Simplified/Short-form Absorption-Type Company Split on October 1, 2017, the effective date, and of changing the trade name on the same date to start business in the name of “Mitsubishi Logisnext Co., Ltd.”.

“LOGISNEXT” means “Logistical Equipment & System Solutions Next,” and includes a strong wish to be a company providing customers with optimal solutions successively together with contribution to future society from both sides of logistical equipment and logistic system. Mitsubishi Logisnext that has been newly born by combining advantages of each company will make every effort to maximize the synergy effect and aim to become “one of the world’s leading logistic equipment manufacturers.”
