## Reference Documents for the General Meeting of Shareholders

### Proposal 1: Dividend of Surplus

It is a policy of the Company to maintain a balance between the enhancement of dividends for its shareholders and internal reserves required for establishing business infrastructure that appropriately reflects earnings in a given fiscal year.

For the fiscal year ended March 31, 2018, it is proposed that year-end dividends be distributed as follows, in light of the performance for the fiscal year and business development going forward.

#### 1. Type of Dividends

Cash

#### 2. Allotment of dividend assets and total amount of dividends

As stated in the Business Report, the Company regrettably recorded a decline in profits for the fiscal year ended March 31, 2018. However, in accordance with its basic policy, the Company proposes to pay 11 yen per share of common stock of the Company and 11 yen per share of Class A stock of the Company, the same level as the previous fiscal year.

Total amount of dividends: 1,170,894,527 yen

(1) Common stock:	11 yen per share	(Amount of dividends: 842,492,343 yen)
(2) Class A stock:	11 yen per share	(Amount of dividends: 328,402,184 yen)

#### 3. Date that the dividend of surplus becomes effective

June 29, 2018
